

**SBEP**  
TITANS

Thank you to our community sponsors for another successful Titan Trek! The community members, staff, and local businesses all played an integral part in this great event!

**ON THE MOVE!!**

Our preschool program runs five days a week and exceeds the state minimum requirements.

Wow! Over 30% of the students in the Jr./Sr. High School participated in an extra-curricular activity during the fall season.

High School Choral teacher, Mrs. Jazinoski, was given a \$2,000 "Unsung Heroes" Award for her innovative program that takes student learning to new heights. She was one of two teachers from the State of Ohio who received this award from VOYA.

Summer reading enrichment was offered by St. Bernard Elementary for primary age students to help bridge the summer break learning gap. After participating in the program, 92% of the students who attended maintained or gained reading skill levels.

102 students have been identified as gifted in the school district
