

# SBEP TITANS

On the  
Move!!

Construction on the new pre-K-12 building has begun! Excuse our mess and thanks for your support as we move forward toward a new era at SBEP!

SBEP Jr./Sr. HS honored 247 students in grades 7-12, who were recognized for their efforts in and out of the classroom as they received awards for perfect behavior, perfect attendance, and First and Second Honors at the third quarter awards.

Dinosaurs Galore was the theme of the successful book fair at SBE and students dressed the part!

The after-school Winter Enrichment Program at EPE gave students an opportunity to work with clay and have a creative ceramics experience.

Congratulations to 11th grader, Justin Johnson, who scored a 212 on the PSAT. That score puts him in the top three percent of the 1.6 million students who took the test. He is now in the running for the 2020 National Merit Scholarship.

## TITANS

**Friendly reminder:** it is AIR testing season, so please make sure everyone is on time and ready to do their best!
